

EXTREMELY WELL EQUIPPED.

Copying, faxing, scanning, digitising – if as well as printing attractive documents in colour, you also need the other essential office functions, then you will find two powerful multifunctionals in the CLP 3416 MFP and CLP 3524 MFP. These equally versatile and economical all-rounders are particularly suitable for use in work groups – at last a system that thinks as a member of the team!

A POWERFUL PARTNER FROM ALL ANGLES.

Both of these office professionals also produce highly presentable results in colour and black and white when copying or printing – the CLP 3416 MFP delivers 16 pages per minute and the CLP 3524 MFP delivers 24. For convenient faxing, which is of course all part of their repertoire, there is an address book available for 500 numbers and 32 group lists. When it comes to data handling, you can rely entirely on these multifunctional systems and, in the blink of an eye, the intelligent duplex colour scanner transforms paper documents into high-resolution files, which you can then easily send to an e-mail address, an FTP server or even a network folder.

SIMPLICITY ITSELF.

Thanks to their functionality, you can print out photos and documents easily and without any fuss – straight from a 10-in-1 card reader or the USB port and the 'Key to Print' function enables you to print files simply from a USB memory stick, making you independent of the PC. Even for complex tasks, the CLP 3416 MFP and CLP 3524 MFP are simple and convenient to operate by means of the large colour display and, when it is set at the correct angle, the screen is clearly visible in any light conditions. One further feature is the network interface, through which you can get a comprehensive overview of the system status at any time.

TECHNICAL DATA CLP 3416 MFP

AND CLP 3524 MFP

GENERAL

Model	Colour scanner (option for colour printers CLP 3416 and CLP 3524)
System designation	CLP 3416 MFP and CLP 3524 MFP*
Functions	Copy, print, scan, fax
Original format	max A4 on the platen glass
Original feed	50 sheet
Copy/print speed	CLP 3416 MFP: max 16 A4 pages/min. in colour and b/w CLP 3524 MFP: max 24 A4 pages/min. in colour and b/w
Copy resolution	600 x 600 dpi
Continuous copying	1-99 copies
Zoom	25%-400%
Duplex copying	In combination with the optional duplex unit

DIMENSIONS/WEIGHT/SAFETY

Dimensions	783 x 460 x 586 mm (H x W x D)
Weight	approx. 39 kg
Safety	GS/TÜV, CE, Energy Star

SCAN SYSTEM

Scanning technology	CCD colour and b/w
Scan speed	Original feed: 1.8 seconds per page (b/w), 5.3 seconds per page (colour) Flatbed scanner: 5.9 seconds per page (b/w), 10.6 seconds per page (colour)
Scan resolution	Original feed: 600 x 300 dpi Flatbed scanner: 600 x 2,400 dpi/interpolated 9,600 x 9,600 dpi
File types	TIFF, PDF, JPEG
Interfaces	USB 2.0, 10/100BaseTX
Slots	Compact Flash I and II, Microdrive, Memory Stick, XD, SD, SM, MM cards
Network protocol	TCP/IP
Operating systems	Windows 98SE, 2000, XP
Software	Paper Port (OEM version), Companion Suite
Functions	Scan to E-mail, Scan to FTP, Scan to Disk, TWAIN, PC-fax, LDAP, contrast, brightness, colour, duplex scanning
USB host functions	Key to Print (JPEG, TIFF-F, TXT, PDF), Scan to Key, Key to Display

FAX SYSTEM

Compatibility	Super G3
Modem speed	33.6 kbps
Transmission speed	2.5 seconds per page
Compression method	JBIG, MMR, MR, MH
Fax resolution	600 x 600 dpi
Fax memory	8 MB
Functions	Sending in duplex mode, receiving in duplex mode (only in combination with a duplex unit)

OPTION

Cabinet wood	Cabinet wood no. 53
--------------	---------------------

*The system designations CLP 3416 MFP and CLP 3524 MFP include the CLP 3416 or CLP 3524 colour printer combined with the optional colour scanner.
