

THROUGH ONCE - SCANNED TWICE!

Double-sided copying made simple: even double-sided copy jobs are child's play since the CD 1060 boasts the latest Duplex scanning technology, reading both sides simultaneously. Thanks to its speed and the efficient Duplex print and copy function, this office expert proudly achieves almost 90% of the Simplex copy speed. That means: double the productivity with half as much paper!

PLEASE BE SEATED!

With the CD 1060, everything is comfortably taken care of! Thanks to its generous document feeder, even copy jobs with up to 200 originals are accommodated with ease. Plus, since the originals are fed in automatically, you won't need to wait around. With a standard paper capacity of 4,100 sheets, expandable to a vast 8,100 sheets, with the CD 1060 makes light work of the most demanding of copy jobs.

DIGITAL COPIER SYSTEM

CD 1060

THE CD 1060 – TOP-QUALITY, DOUBLE-SIDED COPYING!

The ideal member of your office team for those large-scale copy jobs. The redesigned CD 1060 is a top-performer, boasting record-breaking copy speeds of 60 pages per minute. Wherever reliability, efficiency and optimal productivity are required, from large reprographics departments to the smaller independent copy shops, this digital copier can whiz through even the largest of copy jobs in an instant. This innovator automatically delivers double-sided copying, without the need to turn over the original in the process. Whether network printing, scanning or creating a brochure: the CD 1060 boasts numerous advanced features, making it the right addition to your office team.

THE RIGHT COMBINATIONS EQUAL GREATER EFFICIENCY.

The CD 1060 is setting the pace, delivering 60 top-quality copies per minute from the moment you turn it on. After a mere 30-second warm-up, the CD 1060 is ready to go, saving you precious time throughout the working day. And this speedy copier system is just as impressive when it comes to the first page: after a mere 3.6 seconds, the first copy is in your hands, allowing you to get on with more important tasks!

DREAMLIKE JOB ALLOCATION.

A multitude of well-designed functions turns the CD 1060 into a fully qualified paper output manager. With its job allocation for optimal workflow, administration of up to 1,000 management codes, its Scan Once - Copy Many function and electronic sorting, the CD 1060 is programmed to enhance your office routine.

SMALL DETAILS WITH A BIG IMPACT.

Good design takes everything into account. First and foremost, the user has

to be in control of the technology and not vice versa. This is guaranteed with the CD 1060. After placing the original on the platen glass, the document feeder will be raised to a 30° angle, providing you with extremely comfortable access at a maximum height of 1.32 m. In addition, the CD 1060's control panel can be easily folded down, ensuring that everyone has comfortable access to all functions – irrespective of height or posture – including wheelchair users.

CD 1060

FRIENDLY TO THE ENVIRONMENT AND TO YOUR BUDGET.

Designed for cost efficiency, right from the start: by specifically using “long-life” components such as the amorphous silicon drum, the CD 1060 is a champion when it comes to reliability and efficiency. This robust office professional excels when it comes to the environment, since no hazardous materials are used in its construction. Its single component system also ensures that you’ll never need to change the developer.

THE COPIER THAT DOES MORE THAN JUST COPY.

With the optional printing system, the CD 1060 delivers an impressive performance when used as network printer. With 60 prints per minute and all in pinpoint sharpness of up to 1,200 dpi, the rapid PowerPC-CPU with its 600 MHz processor and a spacious memory makes light work of any task. When desired, the CD 1060, with its optional scanner system, can be transformed into a real multi-functional system, digitalising your documents with a lightning speed of up to 80 pages per minute. And the functions “scan to e-mail” and “scan to PC” ensure seamless dataflow in your network.

SO GOOD – YOU’LL WANT TO SHOW IT OFF!

The CD 1060 effortlessly takes on all your routine tasks whatever they might be, from hole punching and folding to stapling. Plus with its optional 3,000 sheet finisher and its modular finisher options, the CD 1060 can produce professional brochures in no time. Thanks to its optional multi-tray system, this copy champion ensures organisational efficiency, filtering the different documents from many sources into specifically assigned output-trays. Thanks to the CD 1060 your documents will never be in a muddle again!
